PHOTOGRAPH AND VIDEO PERMISSION

Dear Parents/Guardians,

During your child’s time at Sackville Street Public School they could have their image recorded by photo or video. We are required to gain your permission to use their image within the school or for promotional purposes; for example: general exhibition at school events; schools website; or annual school or newsletter.

If you do not wish your child to be photographed/videoed under any circumstances, please make sure you have specified this on the consent form.

We have completed our new and exciting website and are seeking to compile a range of photos to use on this website. The photos used on the website will demonstrate the wide range of events that take place throughout the year at Sackville Street Public School.

Students will not be identified using their names if their image is used.

Please complete the consent form below and return it to the school office.

Regards,

Neil Robertson
Principal
